Tax Defender

Finally **an affordable alternative** to costly tax preparation services. Tax Defender has created an easy to use web-based platform that allows real-time communication with your CPA on the go! You work hard all year long and the last thing you want to do is pay more taxes than required. This complete **Tax Defender Plan** will ensure you with the peace of mind knowing you and your family have a team of professional **CPA's working on your behalf**.

Your CPA will work on your behalf to find all of the tax deductions you deserve and professionally prepare your taxes with features *designed especially for* **Professional Drivers.**

You have unique tax responsibilities such as filing monthly reports and fuel tax stamps. Our CPA's are trained to provide you with professionally prepared monthly reports and filings along with your annual tax filings. As a professional driver there are unique responsibilities that you must meet, let our professional team handle these responsibilities so you can **KEEP on Trucking**.

Tax Defender Premium
Especially designed for the professional company driver

The Premium Plan Annual Benefits include:

- Unlimited advice from your tax advisor via toll-free phone number
- CPA prepared annual Federal and State tax returns including all forms, schedules and e-file
- Real-Time personal and secure web based folder for uploading monthly expenses
- 5 years storage of your Tax Defender filed tax returns with web based access
- 3 years audit defense of your annual Federal and State tax return filings
- Free E-File of your annual Federal and State tax returns
- Free review of prior years tax return and amended filing in the event an error is discovered

The **Tax DefenderPlan** will provide you with the peace of mind knowing you and your family have a team of CPA's working on your behalf professionally (for a fraction of the cost of many tax preparation services in America). You and your family can now have **your very own CPA** working to maximize the deductions you have earned.
